Type: Container

Inner timeline on resize: Window | Stretch

Start 3:10 · 70.4% Length 1:20 · 29.6%

Inside 1 track · 2 boxes Depth Level 2

Colour

Notes · kept whatever the type

The suspended material starts to slide. Not yet the return: a gliding preparation.

Glissandi only, no attacks. Arrive at the Return almost by accident.

Suspension

Time stops moving forward. One held field, very slowly changing colour; no events, only drift.

Reference: [reference URL]

- try with and without the Aalto drone underneath
- the turn at 2/3 must already be audible here

Level 0 of 3 Magnified: Dissolution ×2.7 Selected: Suspension · take B 48 kHz
